

Product description

Touch Up Paint is a ready-made paint for minor paint repairs and is available for EQUITONE [natura] and [textura].

When repairing paintwork it is very important to treat only the damaged parts and not to paint "outside the box" to reduce colour and gloss differences to a minimum. Overlapping layers can lead to colour and gloss differences.

ARTICLE NUMBER: according colour

1. Technical characteristics

Composition:	waterborne acrylic paint, with pigments, mineral fillers or matting agent, solvents and additives
Density:	~1.05 g/cm ³
Solids content:	~43%
