Regulation (EC) No. 1907/2006 of the European Parliament and of the Council of 18 December 2006 on the Council of 18 December 2006 concerning Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)

The glass wool products (rolls and boards) manufactured by URSA are defined as "articles" according to the article 3 (3) of EC Regulation 1907/2006(REACH). Articles, whose functionality is more determinate by the shape, surface or design given in their production process, than by its chemical composition.

Therefore, according to Art.2 of EC Regulation 1907/2006 (REACH) our articles are excluded from the EC Regulation 1907/2006 (REACH).

Our products do not contain Substances of Very High Concern (SVHC) in a higher concentration than 0.1% by weight according to the latest update of the candidate list know at the date this document was issued.

ECHA – European Chemicals Agency regularly published an update SVHC list. The validity of this statement is therefore tributary of ECHA new publications.
